8<sup>th</sup> January 2016

For the Attention: Mr Andrew Brown

Dear Mr Brown,

On behalf of The Silvers' Workshop, can I express our profound thanks for your generous donation? The 3 pallets of nails you have given us will provide great benefit to our workshop and hopefully to other Men's Shed projects around the south of England. I am attending a meeting of the other Shed projects in the south of England on Tuesday and intend to offer some of the donation to the other groups there.

They have already provided us with something of an education; I think I can safely say most of us hadn't realise there were so many different types of nail or finish on the nails.

You are most welcome to join us on any of the days we are open to see how our project is progressing and in due course you will receive an invitation to our formal opening on 10<sup>th</sup> March 2016 which I hope you will be able to attend.

Yours faithfully,

Tony Smith-Crallan  
Chairman, The Silvers' Workshop
